A

AAFP
—AAP and ACIP collaborate in the development of a simplified childhood immunization schedule (*med rep*), December, p. 1826
—constructs definitions related to primary care (*ed*), November 1, p. 1211
—endorses the 10 steps and criteria of the breast-feeding health initiative (*med rep*), August, p. 457
—what is, doing to help you provide preventive care (*ed*), July, p. 33
—white paper: family violence (*med soc*), December, p. 1636
abdominal pain, recurrent, in children (*FPI*), September 15, p. 844
abortion, subsequent, chorionic villus sampling and (*tip*), November 1, p. 1368
ACE inhibitors in heart failure (*FPI*), September 15, p. 844
achalasia, balloon dilation vs. myotomy for treatment of (*tip*), November 1, p. 1335
acne rosacea (*article*), December, p. 1691
acne vulgaris, management of (*article*), July, p. 89
adenoma, colorectal, and antioxidant vitamins (*tip*), December, p. 1802
adolescents
—alcohol and other drug abuse in (*article*), December, p. 1737
—eating disorders in, signals of (*FPI*), July, p. 209
—intensive diabetes treatment in, effect of (*tip*), November 15, p. 1557
adults
—blood pressure screening in (*article*), December, p. 1729
—normotensive older, exercise and blood pressure in (*tip*), November 1, p. 1368
—somatic illness in, childhood trauma and (*tip*), August, p. 448
—tuberculosis in (*article*), September 15, p. 811
AHCPR
—guideline on heart failure, five points from (*ed*), September 1, p. 531
—mammography guideline, recommendations from (*med rep*), December, p. 1819
AIDS patients, water systems and *M. avium* infection in (*tip*), September 1, p. 830
albuterol, inhaled, usefulness of, for wheezing in children (*tip*), September 1, p. 670
alcohol and other drug abuse in adolescents (*article*), December, p. 1737
alcohol syndrome, fetal (*article*), October, p. 1025
alcoholism
—genetic vulnerability of women to (*tip*), October, p. 1089
—screening, intervention to improve (*tip*), September 1, p. 686
allergens that cause hayfever, avoiding (*FPI*), October, p. 1128
allergic rhinitis, treatment of: topical nasal sprays (*article*), July, p. 151
Alzheimer's disease
—dementia of, criteria for (*FPI*), October, p. 1128
—dementia of, tacrine therapy for (*article*), September 15, p. 819
amiodarone, intravenous, investigational status for (*let*), July, p. 48
amoxicillin, ceftriaxone vs., in children at risk for bacteremia (*tip*), October, p. 1104
anastomosis, coloanal, functional results of (*tip*), July, p. 189
anesthesia in the emergency setting
—part I. hand and foot injuries (*article*), September 1, p. 569
—part II. head and neck, eye and rib injuries (*article*), September 15, p. 797
anesthetic injection, local, methods of reducing pain of (*tip*), September 1, p. 692
angina, use of aspirin in treatment of (*FPI*), November 15, p. 1565
angioplasty, coronary, outcome in women (*tip*), December, p. 1798
ankle and midfoot, acute injury of the, radiography in (*tip*), December, p. 1787
ankle sprains, lateral, mobilization or immobilization for (*tip*), July, p. 195
antidepressants, insomnia induced by, trazodone for (*tip*), November 15, p. 1554
antimicrobial agent, choice of, for acute otitis media (*tip*), August, p. 420
antioxidant vitamins, colorectal adenoma and (*tip*), December, p. 1804
antiphospholipid antibody syndrome and aortic occlusion (*let*), December, p. 1647
antipsychotic agents, withdrawal of, in nursing homes (*tip*), September 15, p. 838
anxiety disorders, common, management of (*article*), December, p. 1745
aortic occlusion
—acute, severity of ischemia in (*tip*), November 1, p. 1378
—antiphospholipid antibody syndrome and (*let*), December, p. 1647
arthritis, rheumatoid, surgery in (*FPI*), December, p. 1815
asbestos fibers, types of, disease-causing potential and (*let*), August, p. 306
ascites, management approach in patients with (*tip*), August, p. 428
aspirin
—prophylactic low-dose, in pregnancy (*tip*), September 1, p. 682
—ticlopidine vs., in the prevention of stroke (*tip*), July, p. 178
—underutilization of, in acute myocardial infarction (*ed*), October, p. 898
—use of, in treatment of angina (*FPI*), November 15, p. 1565
asthma
—in children, management of (*article*), October, p. 1039
—control, determining levels of (*FPI*), December, p. 1819
—treatment of, a new agent for: nedocromil (*article*), October, p. 1059
atherosclerotic cardiovascular death, prediction of (*tip*), September 1, p. 680
atrial fibrillation, the management of: current perspectives (*article*), October, p. 959
axillary moisture as a marker of dehydration in the elderly (*tip*), October, p. 1097

B

back pain
—low, osteopathic manipulation and injection therapy for (*let*), July, p. 51
—low, chronic rehabilitation of patients with (*tip*), November 1, p. 1358

July through December, 1994

atherosclerotic cardiovascular death, prediction of (*tip*), September 1, p. 680
atrial fibrillation, the management of: current perspectives (*article*), October, p. 959
axillary moisture as a marker of dehydration in the elderly (*tip*), October, p. 1097

B

back pain
—low, osteopathic manipulation and injection therapy for (*let*), July, p. 51
—low, chronic rehabilitation of patients with (*tip*), November 1, p. 1358

—low, medial hamstring reflex in the evaluation of (*let*), October, p. 922
—signaling malignancy (*FPI*), December, p. 1819
bacteremia, children at risk for, ceftriaxone vs. amoxicillin (*tip*), October, p. 1104
balloon dilation vs. myotomy for treatment of achalasia (*tip*), November 1, p. 1335
bicycle helmet use among children, psychosocial factors and (*tip*), August, p. 451
biopsy, needle-directed, use of, in breast cancer detection (*tip*), September 1, p. 687
bladder aspiration, suprapubic, vs. catheterization in infants (*tip*), August, p. 417
bladder neck support prosthesis for incontinence (*tip*), November 1, p. 1364
blood pressure, exercise and, in normotensive older adults (*tip*), November 1, p. 1368
blood pressure screening in adults (*article*), December, p. 1729
bone fracture in adolescent girls, carbonated beverages and (*tip*), September 15, p. 830
bone loss, perimenopausal, effect of oral contraceptives on (*tip*), September 1, p. 679
bowel, fetal hyperechoic, sonographic detection of (*tip*), October, p. 1105
brain tumors, primary, electromagnetic fields and (*let*), November 1, p. 1219
bran, dietary, and exacerbation of irritable bowel syndrome (*tip*), October, p. 1072
breast cancer, significance of family history in treatment of (*tip*), December, p. 1802
breast cancer detection, use of needle-directed biopsy in (*tip*), September 1, p. 687
breast cancer patients, trends in management of (*tip*), September 15, p. 833
breast cancer risk, lactation and (*tip*), July, p. 182
breast cancer surgery, timing of, disease-free survival rates and (*tip*), November 15, p. 1547
breast disease, malignant, nipple discharge and rate of (*tip*), November 1, p. 1362
breast-feeding health initiative, AAFP endorses the 10 steps and criteria of (*med rep*), August, p. 457
breast feeding and incidence of acute otitis media (*tip*), September 1, p. 676
breech presentation, outcome of external cephalic version in (*tip*), September 15, p. 843
budesonide, nebulized, in children with mild croup (*tip*), November 15, p. 1536
bulimia nervosa
—factors predictive of relapse in cases of (*tip*), November 1, p. 1346
—history of sexual abuse and (*tip*), September 15, p. 839
butorphanol, psychomimetic effects of, sigma receptors and (*let*), October, p. 930

C

calcium intake, optimal, NIH releases consensus statement on (*med rep*), November 1, p. 1385
cancer(s) (*See also carcinoma*)
—breast, significance of family history in treatment of (*tip*), December, p. 1802
—breast, surgery, timing of, disease-free survival free rates and (*tip*), November 15, p. 1547
—lung, likelihood of a genetic predisposition to (*tip*), December, p. 1783
—lung, occult, value of sputum cytology in detecting (*tip*), September 15, p. 836
—ovarian, NIH develops consensus statement on (*med rep*), July, p. 213
—ovarian, screening for, in asymptomatic women (*tip*), October, p. 1081
cancer mortality rate, oral contraceptive use and (*tip*), November 1, p. 1355
cancer patients, breast, trends in management of (*tip*), September 15, p. 833
cancer rates according to site in Hispanic women (*tip*), November 1, p. 1338
cancer risk, breast, lactation and (*tip*), July, p. 182
cancer survivors, reducing fear in (*FPI*), November 15, p. 1565
carbonated beverages and bone fracture in adolescent girls (*tip*), September 15, p. 830
carcinoma (*See also cancer*)
—rectal, survival after recurrence of (*tip*), November 15, p. 1543
cardiac evaluation before vascular surgery, benefit of (*tip*), December, p. 1806
cardiac rehabilitation in physically disabled men (*tip*), August, p. 423
cardiovascular death, atherosclerotic, prediction of (*tip*), September 1, p. 671
cardiovascular disease risk, interventions for reducing (*tip*), September 1, p. 680
carotidynia (*article*), October, p. 987
catheterization in infants, suprapubic bladder aspiration vs. (*tip*), August, p. 414
cefotaxime vs. ceftriaxone in the treatment of gonorrhea (*tip*), October, p. 1126
ceftriaxone
—intramuscular, in bacterial meningitis (*tip*), December, p. 1784
—vs. amoxicillin in children at risk for bacteremia (*tip*), October, p. 1104
—vs. cefotaxime in the treatment of gonorrhea (*tip*), October, p. 1126
cephalic version, external, in breech presentation, outcome of (*tip*), September 15, p. 843
cephalosporins, oral: newer agents and their place in therapy (*article*), August, p. 401
cerebral edema, diabetic ketoacidosis and, management of (*let*), November 15, p. 1468
cervicography—an adjunct to Papanicolaou screening (*article*), August, p. 363
cesarean section
—importance of the 30-minute interval in (*tip*), December, p. 1815
—placenta previa following, incidence of (*tip*), November 1, p. 1372
—surgical glove contamination during (*tip*), September 1, p. 692
childhood immunization schedule
—simplified, AAFP, AAP and ACIP collaborate in the development of (*med rep*), December, p. 1826
—under one umbrella (*ed*), December, p. 1623
children
—asthma in, management of (*article*), October, p. 1039
—bicycle helmet use among, psychosocial factors and (*tip*), August, p. 451
—clinical virology in (*article*), July, p. 78
—Down syndrome, with, health supervision for, AAP issues guidelines for (*med rep*), September 1, p. 695
—hepatitis B in, vaccination and prophylaxis against (*article*), October, p. 979
—hyperactivity in, sucrose and other sweeteners and (*tip*), July, p. 205
—mild croup, with, nebulized budesonide in (*tip*), November 15, p. 1536
—physical activity in (*article*), November 1, p. 1285
—recurrent abdominal pain in (*FPI*), September 15, p. 844
—risk for bacteremia, at, ceftriaxone vs. amoxicillin in (*tip*), October, p. 1104
—television and (*med soc*), October, p. 909
—thyroid disease in (*article*), August, p. 344

Index to Volume 50

—vaccines for, program: what, when, where and how (*ed*), August, p. 289
—vision screening in (*article*), September 1, p. 587
—wheezing in, usefulness of inhaled albuterol for (*tip*), September 1, p. 670
—young, managing otitis media with effusion in (*article*), October, p. 1003
chlamydial infection during pregnancy, treatment of (*tip*), December, p. 1800
cholecystectomy, laparoscopic, contraindications and complications of (*article*), December, p. 1707
chorionic villus sampling and subsequent abortion (*tip*), November 1, p. 1368
ciguatera fish poisoning (*article*), September 1, p. 579
colitis, ulcerative, refractory, intravenous cyclosporine for (*tip*), November 15, p. 1547
coloanal anastomosis, functional results of (*tip*), July, p. 189
colorectal adenoma and antioxidant vitamins (*tip*), December, p. 1802
colposcopy, improving compliance with (*tip*), September 1, p. 663
conception, postcoital test for estimating probability of (*tip*), November 15, p. 1556
concussions in sports: guidelines for return to competition (*article*), September 15, p. 801
condoms, IUDs, counseling and natural family planning (*let*), September 15, p. 765
constipation
—chronic, treatment and cost concerns for (*let*), November 15, p. 1465
—in elderly persons, characteristics associated with (*tip*), November 1, p. 1371
contamination, surgical glove, during cesarean section (*tip*), September 1, p. 692
contraception and sickle cell disease (*FPI*), December, p. 1819
contraceptives
—oral, cancer mortality rate and (*tip*), November 1, p. 1355
—oral, effect of, on perimenopausal bone loss (*tip*), September 1, p. 679
correction
—group B streptococcal disease in the perinatal period (*article*), November 15, p. 1471
—how to use a nasal spray (*pt info*), December, p. 1656
—transdermal estrogen and prevention of osteoporosis (*article*), September 1, p. 542
coronary angioplasty outcome in women (*tip*), December, p. 1798
coronary artery disease
—effect of lipid reduction in (*tip*), August, p. 435
—lipoprotein(a) and progression of (*tip*), October, p. 1081
croup, mild, nebulized budesonide in children with (*tip*), November 15, p. 1536
CT and MRI in diagnosis of ovarian torsion (*tip*), August, p. 428
cutaneous paraneoplastic syndromes (*article*), November 1, p. 1273
cyclosporine, intravenous, for refractory ulcerative colitis (*tip*), November 15, p. 1547

D

deep venous thrombosis
—enoxaparin in the prevention of (*article*), December, p. 1763
—in hypereosinophilic syndrome (*let*), October, p. 921
dehydration
—as a cause of hospitalization in the elderly (*tip*), December, p. 1804
—in the elderly, axillary moisture as a marker of (*tip*), October, p. 1097
delirium in the elderly patient (*article*), November 1, p. 1325
dementia
—of Alzheimer's, criteria for (*FPI*), October, p. 1128
—of Alzheimer's disease, tacrine therapy for (*article*), September 15, p. 819
densitometry, bone and osteoporotic fracture risk (*let*), October, p. 922
dentistry, preventive, and the family physician (*ed*), December, p. 1626
depressed outpatients, use of drug therapy in (*tip*), November 1, p. 1352
depression, major, review of suicide in patients with (*tip*), October, p. 1102
diabetes
—elderly patients with, progression of retinopathy in (*tip*), July, p. 194
—new standards of medical care for, are issued by the American Diabetes Association (*med rep*), October, p. 1134
—patients with, foot injuries in (*tip*), August, p. 444
—type I, implantable insulin pumps in patients with (*tip*), August, p. 442
diabetes treatment, intensive, effect of, in adolescents (*tip*), November 15, p. 1557
diabetic ketoacidosis and cerebral edema, management of (*let*), November 15, p. 1468
diabetic nephropathy, smoking and progression of (*tip*), September 1, p. 674
dietary behavior, improving, in the primary care setting (*tip*), October, p. 1119
dog bite wounds, patients with, antibiotic therapy in (*tip*), September 1, p. 684
domestic violence, effect of, on pregnancy outcome (*tip*), November 1, p. 1356
do-not-resuscitate orders, practical guidelines for (*article*), November 1, p. 1293
dosing devices, avoiding problems with liquid medications and (*FDA*), December, p. 1771
Down syndrome, children with, AAP issues guidelines on health supervision for (*med rep*), September 1, p. 695
driving and epilepsy: a physician's dilemma (*ed*), September 15, p. 773
drug abuse, alcohol and other, in adolescents (*article*), December, p. 1737
dyspepsia, management of, endoscopy vs. H_2 blockers in (*tip*), September 1, p. 667

E

ear, middle, effusion, guideline: the co-chair's thoughts (*ed*), October, p. 897
eating disorders in adolescents, signals of (*FPI*), July, p. 209
ECG, value of, in diagnosing acute pulmonary embolism (*tip*), August, p. 414
elderly
—characteristics associated with constipation in (*tip*), November 1, p. 1371
—dehydration in, axillary moisture as a marker of (*tip*), October, p. 1097
—delirium in (*article*), November 1, p. 1325
—exercise programs in (*FPI*), December, p. 1815
—hospitalization in, dehydration as a cause of (*tip*), December, p. 1804
—motor vehicle accidents among (*tip*), November 15, p. 1548
—patients with diabetes, progression of retinopathy in (*tip*), July, p. 194
—prevalence of fear of falling among (*tip*), October, p. 1085
—sexual concerns in (*FPI*), October, p. 1128
electromagnetic fields and primary brain tumors (*let*), November 1, p. 1219

endoscopes, disposable sheath: a new office technology (*let*), November 15, p. 1465
endoscopy vs. H_2 blockers in management of dyspepsia (*tip*), September 1, p. 667
enoxaparin in the prevention of deep venous thrombosis (*article*), December, p. 1763
epicondylitis, lateral, testing for (*FPI*), July, p. 209
epilepsy
—driving and: a physician's dilemma (*ed*), September 15, p. 773
—drug therapy for (*article*), September 1, p. 639
estrogen, memory benefits of, in postmenopausal women (*tip*), November 15, p. 1538
estrogen-progestin replacement therapy, continuous, update on (*article*), November 15, p. 1519
estrogen replacement therapy, long-term, risks and benefits of (*tip*), August, p. 453
erythema infectiosum and other parvovirus B19 infections (*article*), August, p. 335
estropipate, clarification for formulation of (*let*), September 1, p. 542
exercise
—aerobic, effect of, in lactating women (*tip*), August, p. 443
—blood pressure and, in normotensive older adults (*tip*), November 1, p. 1368
—risk of myocardial infarction and (*tip*), July, p. 186
—programs for older patients (*FPI*), December, p. 1819
exercise stress testing in the family practice setting (*tip*), November 1, p. 1372
eye injuries, head, neck, rib and: anesthesia in the emergency setting, part II. (*article*), September 15, p. 797

F

factitious disorders, laboratory diagnosis of (*tip*), November 1, p. 1375
falling, fear of, prevalence of, among elderly (*tip*), October, p. 1085
'Family Physician's Notebook'
—diary from a week in practice (*FPN*), July, p. 73; August, p. 321; September 15, p. 779; October, p. 955; November 15, p. 1473; December, p. 1673
family planning, natural, condoms, IUDs, counseling and (*let*), September 15, p. 765
family violence: an AAFP white paper (*med soc*), December, p. 1636
fatigue
—evaluation and management of (*article*), September 1, p. 625
—postpartum (*article*), July, p. 113
fetal alcohol syndrome (*article*), October, p. 1025
fetal hyperechoic bowel, sonographic detection of (*tip*), October, p. 1105
fetal macrosomia, idiopathic polyhydramnios and (*tip*), August, p. 451
fever of unknown origin, the role of scintigraphy in the evaluation of (*article*), December, p. 1717
fish poisoning, ciguatera (*article*), September 1, p. 579
foot injuries
—hand and: anesthesia in the emergency setting, part I. (*article*), September 1, p. 569
foot injuries
—in patients with diabetes mellitus (*tip*), August, p. 444
fracture, bone, in adolescent girls, carbonated beverages and (*tip*), September 15, p. 830
fracture risk, bone and osteoporotic, densitometry (*let*), October, p. 922
fundoplication, Nissen, laparoscopic (*tip*), July, p. 180

G

gastric damage caused by NSAIDs, screening for (*tip*), October, p. 1112
gastroesophageal reflux, diagnosis and treatment of (*tip*), December, p. 1795
gastrointestinal hemorrhage and use of NSAIDs (*tip*), July, p. 201
genital herpes, recurrent, treatment of (*FPI*), November 15, p. 1565
girls, adolescent, bone fracture in, carbonated beverages and (*tip*), September 15, p. 830
gloves, powdered, contamination of surgical site by use of (*tip*), December, p. 1786
glyceryl trinitrate patch, value of, in preterm labor (*tip*), November 1, p. 1350
gonorrhea, cefotaxime vs. ceftriaxone in the treatment of (*tip*), October, p. 1126
group B streptococcal infection: to culture or not to culture? (*let*), August, p. 304
group B streptococci, risk factors for transmission of (*tip*), November 15, p. 1535
growth hormone deficiency, growth standards and (*tip*), October, p. 1072
gynecomastia associated with peptic ulcer therapy (*tip*), August, p. 427

H

hamstring, medial, reflex in the evaluation of low back pain (*let*), October, p. 922
hand and foot injuries: anesthesia in the emergency setting, part I. (*article*), September 1, p. 569
hantavirus pulmonary syndrome, clinical course of (*tip*), September 1, p. 672
